

HealthCare Coalition

Wednesday, July 24th
10:00 to 11:30 AM

ACI (Conference Room)
629 Amboy Ave, Edison, NJ

Four years ago the COVID-19 pandemic struck our nation...33,000 New Jerseyans lost their lives! An independent review of NJ's response to the emergency concluded that the state was grossly unprepared. How were you affected?

What lessons have we learned? Are we prepared for the next health crises?

- Learn about the services offered by the county public health departments
- Learn about what your county is doing to prepare for the next health emergency
earn what you can do to prepare
- Provide valuable input into how health services can be provided

Who should attend this meeting?

People with disabilities, family members, and their allies.
