A disaster can happen at any time! This is a great opportunity to work together with emergency managers to make effective changes in how emergency services are provided to people with disabilities and access and functional needs in Middlesex and Union Counties.

THE PURPOSE OF THIS GROUP IS TO...

- Promote inclusive emergency management by encouraging collaboration and partnership between community disability stakeholder and emergency managers.
- Identify emergency management challenges facing people with disabilities and others with access and functional needs before, during and after a disaster.
- Develop strategies to build resilience in the disability community.
